

FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

ENCOURAGING POTENTIAL AFTERSCHOOL CARE

Volusia Flagler Family YMCA

We believe the values and skills learned in YMCA afterschool enrichment programs are vital building blocks. At the Y kids learn to care for others, to be honest at all times, to respect what makes us different, and to take responsibility for their actions. That makes for confident kids today and contributing, engaged adults tomorrow.

The Y offers enriching activities such as:

- **SPARK Program**
The importance of fun and play are taught through physical activities that promote health and wellness.
- **The Black Stallion Literacy Program**
Children learn to enjoy the joys of reading through an interactive literacy program.
- **Food & Fun Program**
An exciting fun nutrition curriculum designed to help children to develop healthy habits.

One-time Activity Fee: \$40
Member Cost: \$45 per week
Community Participant Cost: \$55 per week
